CONGRATULATIONS

Last Sunday a number of our juniors battled it on the rugby league field to become the Under 12 Premiers for the '08 season.

A very big congratulations to Liam Wyper, Ryan Martin, Kody Innis, Cantona Stewart, Jesse Whitney, Dylan Kama, Nathan Baxter and Kane Dove.

Well done to all the boys on a fantastic result.

A VERY BIG THANK YOU

The first few weeks of every season is also hectic and without the support of parents volunteering their time, it would be a lot harder.

We would like to make a special thank you to Shelley Wyper and Melissa Melverton for making the time to assist with the sign ons through both the sign on days and over the two weeks. Your assistance has been greatly appreciated and we hope you can continue to help.

The proficiencies are always stressful time to get hundreds of juniors through their pool swims and run swim runs. Over the last couple season Kerrilyn French has spent many hours to make all these children proficient. This season it has been made easier with Gavin Clout taking the time to take groups of children over the pool to complete their pool swim, taking pressure off the Age Group Leaders. Danny Zerbst, our clubs Training Officer offered his time to assess children in their pool swims. By Gavin and Danny offering their assistance it gave Kerrilyn more time to assess the run swim runs. Thank you to Gavin and Danny for their assistance.

Last Sunday Grant Hoskins under 11 age group leader ensured enough parents to assist with the Beach Set up. It was wonderful see such a great turn out and how efficient they were in having the beach set up for Sunday Morning. A big thank to Grant and all the parents in the under 11 age group for their help.

SIGN ON'S & APPAREL SHOP

Anyone wishing to sign on, can sign on between 8am and 9.30 am on Sunday mornings until further notice. A table will be set up in the park at the Northern end of the Club.

The apparel shop will be open until 10am on Sunday mornings, if you need to purchase club apparel or togs.

Please note it is club policy that all juniors should be wearing club togs and nipper caps every Sunday morning.

WATER SAFETY

For all parents who are holders of the Bronze or SRC Certificate you must do your proficiency on this Sunday, September 28TH or October 26TH. You can do your pool swim on the Saturday before these dates, a time will be advised.

If you do not do your proficiency you can not do Water Safety on a Sunday or at carnivals which we must supply 1 for every 10 competitors.

At training during the week we must also have water safety, any help would be great

Water Safety is also required for all Board Training sessions; any assistance would be greatly appreciated.
