4th August 2010

Dear Member

This letter is to inform you of our annual Surf Camp, which is to be held from Sunday 19th September through to Friday 24th September 2010 at the Surf Club.

The camp is an ideal opportunity for you to gain your Bronze Medallion or Surf Rescue Certificate in a short period of time and in the company of other members of a similar age. The minimum age for Bronze Medallion candidates is 15 years and Surf Rescue Certificate candidates must be 13 years of age (by 30th September 2010). All successful Bronze Medallion candidates will also receive a Cert 11 in Public Safety (Aquatic Rescue). You can apply to have this recorded on your Queensland Certificate of Education which is worth 4 credit points.

If you wish to compete at carnivals or do rostered or voluntary beach patrols this season you **must** have your age appropriate award. **If you are already 15 or will be by 30th September, you will not be able to compete this season until you have your bronze medallion award and if you are 13 or will be by 30th September, you must have your SRC award by 31st December 2010.**

Enrolment will only take place once the application form is completed and returned along with the course fee. All participants must also be financial members for the 2010/11 season.

All of our instructors are volunteers and most are taking time off work to enable this camp to go ahead. If any parents are available to assist in preparing lunches or morning & afternoon teas, please contact me so that a roster can be prepared for each day. Any assistance at all will be very much appreciated.

I have attached a brochure that has all of the relevant information, an application and medical detail forms that must be returned by Friday 10th September 2010 with full payment to have your place on the camp confirmed. **Registrations will not be accepted after this date.**

If you require any further information, please contact me at the club on 5535 2419.

We look forward to seeing you at the camp.

Kind regards

Julie Dennis
Club Administrator
