Winter

Edition

June 2009

Welcome to the first update of the 'off-season'. I hope you are all enjoying the start of Winter. The 2009/2010 season for surf life saving will be here before we know it!

DATES TO REMEMBER . . .

June 23 - Junior Committee Meeting

July 12 - BBQ at Bunnings

GOOD NEWS FOR THE CLUB: we have received the Government grant for renovations. The hard work done by the club now will mean our juniors will have the facilities in the future. This work will start around July and I will keep you updated closer to the starting date.

COMMITTEE POSITIONS

We have a great Junior Club because of the families that get involved to keep the club running so well. A big thank-you goes to the committee members from last season for their outstanding efforts. As we have farewelled a number of families from the U14 age group, we look forward to the upcoming season and meeting our new members.

Parents from the younger age groups will be encouraged to volunteer where help is needed, and to assist the executive committee. *Currently our committee consists of members who have held their respective positions for a number of years, and some will be graduating from nippers after this season. For this reason, we need new faces NOW, to become familiar with the 'behind the scenes' procedures, and take over these roles in the future.* Please note that **all members are welcome to attend committee meetings** which are held once a month at the Club. (Dates will be advised).

We still have a number of positions which need to be filled for this season:

- Assistant Secretary
- Registrar
- Assistant Registrar
- Fundraising Committee
- Junior Apparel Officer

For further details/job descriptions, please call Tony Martin on 0419 740 764.

BUNNINGS BBQ

On Saturday, July 12th we will be running the BBQ at Bunnings (Burleigh). This is a good way to raise money for our Junior Club so please keep this day free for 1 or 2 hours. We will be asking for helpers next month so we can draw up a roster.

SWIM SQUAD

If you would like to start swimming in readiness for the new season, Burleigh Pavilion Pool have very kindly agreed to continue the swim squad on **Wednesday** and **Friday** mornings at **5.30am**. The cost is still only \$7 for the squad and pool entry, and the best part for this time of the year, the pool is indoors and heated. Note that the squad is for all members not just competitors. Thank you to the Rackley's...

ATHLETICS TRAINING

James Clark, our beach coach has training sessions at Pizzey Park in the afternoons for anyone who would like to train for school athletics carnivals, cross country, or to begin training for beach sprints for the upcoming season. For further details and times, please call James on 0408 391 039.

Until next time keep warm! And don't forget to tell your friends to come and join the top Junior Club in Queensland. Go Burleigh!!
